

Wright On The Park Endowment Fund

About Wright on the Park, Inc.

Wright on the Park, Inc. (WOTP) was formed in 2005 in response to the City of Mason City's plea for a local group to come forward and assume the rescue of the Park Inn Hotel designed by Frank Lloyd Wright. Within seven years, WOTP raised \$20 million for the project and successfully restored / rehabilitated the Historic Park Inn Hotel (HPI). Since its grand opening in 2011, HPI has contributed significantly to the landscape and economy of downtown Mason City. The mission of WOTP is to own and preserve HPI and to provide continuing education to the public about the building's place in the context of architectural history.

The future of HPI is dependent on the public's support of its steward, WOTP. By investing in WOTP, your contribution ensures the continued care and preservation of HPI so it will remain the aesthetic and economic keystone of downtown Mason City. For these reasons, the Wright on the Park Endowment Fund was established with the Cerro Gordo County Community Foundation.
